Base Data

Local Order Number PCBLK5

Type PC5E

Color Black (BK)

- Features and Benefits**
- Exceeds Category 5e performance standards
 - Pre-tested with test results supplied
 - Manufactured with PVC Sheath
 - Available in standard lengths of 1m, 2m, 3m, 5m and 10m
 - Non-standard lengths available on request

Product Description Category 5e Copper Patch Leads are a critical component in ensuring the end to end performance of a network. The Category 5e Patch leads incorporate a low profile shielded plug suitable for high density applications with an integral strain relief boot to minimise force on terminations and to assist in managing the bend radius of the cable.

Short Description Category 5e patch cord, 5.0 ft, Black, 1/pkg

Product Dimensions

Length L (Imperial) 5.0 ft

Performance Category Category 5E (Class D)
