Local Order Number VWMSS4X5BK7

Type VWMSS4X57

Color Black (BK)

Features and Benefits

- Can be mounted on the side of the relay rack as well as between two adjacent racks providing multiple placement options.
- Breakaway fingers can be removed to allow routing of large cable bundles.
- Features an easily removable plastic film on the cover which ensures a neat appearance and improves rack aesthetics when the wire managers are installed.

Product Description The vertical wire managers are available in single and dual sided styles. They can be mounted on the side of the relay rack as well as between two adjacent racks. Equipped with feed-through holes to move cable from back to front and vice versa.
