## Base Data

Local Order Number 151-10953

Type QT10065R

Color White (WH)

Features and Benefits • Opening on the tag allows the Q Tie to be easily inserted, providing a secure identification solution

Product Description Q Tags are used in conjunction with the Q Tie cable tie series for labeling cables and wire bundles. The Q Tie is simply inserted through the Q Tag opening, providing a quick identification solution that also securely fastens the cable or wire bundle. The Q Tag can be marked using a Sharpie felt tip pen, or by applying a thermal transfer label that has been pre-printed using the TagPrint Pro 3.0 label creation software and a HellermannTyton thermal transfer printer.

Mounting method Identification ETIM Others

Short Description Q Tag, 5.3" x 2.6", For Q18 thru Q50 ties, PA66, White, 25/bag
