Base Data

Local Order Number 161-60005

Type HAT30

Color Blue (BU)

Features and Benefits

- Helawrap applicator tools enable the user to bundle cables rapidly and effortlessly.
- The applicator tool has been designed to glide smoothly through the cover and allows easy insertion of cable into the Helawrap sleeving.
- The unique design also allows individual cables to be removed from the applicator tool and branched off through the cover apertures.

Product Description The new Helawrap applicator tool enables the user to bundle cable rapidly and effortlessly. The applicator tool has been optimised to glide smoothly and securely through the cover and therefore allow easy insertion of cable into Helawrap. The unique design also allows individual cables to be separated from the applicator tool and branched off through the cover apertures. A tool is included with each Helawrap box. Additional tools can be purchased separately.
