Base Data

Local Order Number 556-00240

Type TT230SMC

Color Black (BK)

Features and Benefits

- TT230SMC includes a cutter so that continuous media can be cut to length during the printing process to save time and enhance quality.
- Printer is small, lightweight and compact to save space and make it easy to transport.
- TT230SMC works with Tagprint Pro 3.0 for seamless operation and printing.

Product Description HellermannTyton's TT230SMC thermal transfer printer includes a cutter for cutting die cut labels or cutting continuous printed media. The cutter is best used for standard labels and continuous media. The printer operates with Tagprint Pro 3.0 labeling design software and is small enough to be transported to job sites and uses very little surface area space.

Short Description Thermal Transfer Printer, TT230SMC, 300 DPI, w/ Cutter, Black, 1/EA
