Base Data

Local Order Number 556-26007

Type TIPTAGVA10X90YEWB

Color Yellow (YE)
White (WB)

Features and Benefits

- Halogen Free for low smoke and low fire hazard applications.
- White front and yellow back for versatility.
- Superior strength and tear resistance for long lasting identification.
- Pre-cut slots to secure the TipTags using HellermannTyton cable ties.

Product Description TIPTAGs are halogen free, tear resistant, and lightweight cross laminated polyolefin tags ideal for use where weight is a critical factor. Each side is a different color. One side is yellow and the other side is White so that a high contrast black on yellow or black on white mark can be printed.
