Base Data

Local Order Number TAG110BL

Type TAG110

Color Blue (BU)

Features and Benefits

- 110 Block Labels are sheet fed for easy loading and fast printing.
- 110 Block Labels come with removable pin-feed margins, allowing them to be printed in any dot matrix, laser or ink jet printer.
- 110 Block Labels are printable using toner for long term UV exposure.
- 110 Block labels are available in multiple colors for use in easily identifying data center infrastructure.

Product Description 110 Block labels are made of non-adhesive card stock that is pre-perforated along each marker. An optional dot matrix pin feed margin can be removed if printing in a laser or ink jet printer. Various colors of stock can be purchased to identify route diversity.
